

## 922T technical specification

Overall dimension	5560*1820*2800mm
Bucket capacity	0.7m <sup>3</sup>
Rated load	1200kg
Operate weight	3780kg
Max breakout force	36 K.N.
Max gradability	25°
Dumping height	3200mm
Dumping distance	900mm

Engine	
Model	Yunnei 490
Rated power	42kw
Max. Toque	147 K.N.

Steering system	
Pattern	articulated full hydraulic
steering angle	28°

Transmission system	
Model	Auto
Gear shifts	2 forwards, 2 reverse, High & Low speed
Drive mode	4WD
Axle type	small hub reduction

Braking system	
Service brake	air over hydraulic disc brake on 4 wheels
Park brake	hand operated caliper disc

Tyre	
Size	23.5/70-16
front/rear tyre pressure	0.3/0.28Mpa

Optional configuration	
engine: Yunnei 4100	
quick hitch, A/C, visual imaging, Pilot control, Concrete mixing bucket, Brick clamping machine
